Dear Sir/Madam,

Being a software professional for over 15 years, I believe the Proposed Final Judgment in the US v. Microsoft case does NOT go far enough. For over a decade, I've watched Microsoft grow into a monopoly, using its tremendous marketing/financial resource to unfairly crush competition.

I agree with the comments on the PFJ displayed at <http://www.kegel.com/remedy/remedy2.html>

Respectfully,

Dan Mindler
